

Lansdale Catholic High School

Office of the President

January 30, 2010

Dear Parent/Guardian,

Happy Catholic Schools Week 2010...Catholic Schools: Dividends For Life!

During this Catholic Schools Week of 2010, I am very eager to share with you some important pieces of information regarding Lansdale Catholic High School and your seventh grade child.

First of all, on **Saturday, March 3, 2010**, we are offering our annual practice scholarship exam to all our seventh graders who are either home schooled or attend one of our regional parochial, public or private schools. An application form is enclosed, should you want your child to take this exam. You will receive a confirmation of this registration by postcard.

Please have your child arrive at Lansdale Catholic by 8:00 AM, using the Fishman Center doors. On arrival, your child will be assigned his/her testing room. Apart from having adequate rest the night before, and a good breakfast that morning, there is no special preparation for this exam. Your child needs to bring with him/her several number 2 pencils with good erasers, no calculators will be required. The exam will end at approximately 11:00 AM.

This will be a computer generated and scored exam. You should have your results mailed to your home address within four to five weeks. If you choose to wait for your child during the testing period, there will be light refreshments in the Library Media Center.

Secondly, I invite you to participate in our **Annual Spring Open House on Sunday, April 18, 2010 from 1:00 PM to 3:00 PM**. Our administration, staff, faculty, parents and students will be here to answer any questions you may have about the high school experience. This is an Open House for all regional 6th, 7th and 8th graders and their families.

Thank you so much for considering Lansdale Catholic High School for your child's secondary education. If you have any questions or concerns, please feel free to contact Mrs. Kris Cope, our Admissions Director at 215.362.6160 ext. 194.

Sincerely,

Mr. James W. Casey
President

P.S. Enjoy the enclosed article from *The Intelligencer* on our new technology initiatives!
