Founder's Day Mass & Luncheon October 2008

Every October, we celebrate our Founder's Day with a Mass and a luncheon with the alumni. The classes that are celebrating their 25th, 50th and now 55th anniversary are invited to join the students at Mass. Also, at this Mass the students have their Student Council Installation. It's a very unique experience for the alumni to return to reminisce and watch this special occasion with the students. The alumni are also recognized before the Mass begins and also during the homily. It's a great way to bring all of us —alumni, current students, parents, faculty, friends, etc - together as one family.

Kevin Boland '53 reminisces with student John Howell '09 on his football experiences. John will be attending the US Naval Academy this fall.

After the Mass ends, the alumni are invited back to school for a small reception in our library and for a tour of the school. We want the alumni to get the full effect of being back to LC as a student again. The best part of all is the luncheon that is provided at the Mainland Inn (owner Wendy Rutter Jonas '79). There you get to sit and relax and catch up on old times!

For October 2009, the classes of 1954, 1959 and 1984 will be invited. Look for your invitation in the mail over the summer.

Lunch was served to members of the Class of 1953 & 1958 on Founder's Day at the Mainland Inn.
