## Transportation Policy

No Lansdale Catholic student regardless of a (parent/guardian, doctor, etc.) note is allowed to ride a bus or take another bus to and from school.

The driver is not permitted to make any extra stops to and from school at any time.

Any student violating these policies will face disciplinary action from Lansdale Catholic High School and possible dismissal from the bus.

All Students must follow the values for life that we teach at Lansdale Catholic High School and the regulations of the bus and that particular school district. Any violation will result in disciplinary action and possible dismissal from riding the bus.

**All students riding the bus must follow your particular school districts transportation policies.**
