NovaCare Rehabilitation is the exclusive provider of rehabilitation to the...

NOVACARE REHABILITATION PARTNERS WITH LANSDALE CATHOLIC HIGH SCHOOL ATHLETICS TO PROVIDE THE BEST IN SPORTS MEDICINE AND ATHLETIC TRAINING SERVICES!

NovaCare Rehabilitation's Certified Athletic Trainers (ATCs) play an integral role in injury prevention, acute injury assessment and the post injury rehabilitative process. Athletes and active individuals from the playing field to the industrial setting succeed with the help of our ATCs.

NovaCare Rehabilitation's ATCs are trained in current methods of strength and conditioning, preventative bracing and taping, rehabilitation of injuries, nutritional counseling and emergency action planning.

NOVACARE REHABILITATION IS THE EXCLUSIVE PROVIDER OF REHABILITATION FOR THE

AND YOU!

In NovaCare Rehabilitation's 90 local facilities our talented clinical team of licensed physical and occupational therapists devise individualized treatment plans to achieve the specific goals of each patient. Various therapeutic modalities may be utilized during treatments, including traction, electrical stimulation, whirlpool, ultrasound, ice, and heat, as well as therapeutic exercise and manual therapy. NovaCare Rehabilitation facilities are equipped with state-of-the-art equipment and maintain a bright and motivational atmosphere.

NovaCare Rehabilitation's specialty services include: Aquatic Therapy, Functional Capacity Evaluations, H-Wave Therapy, Hand Therapy, Lymphedema & Post-Mastectomy Services, Maternal Wellness, Neurological Rehabilitation, TMJ Rehabilitation, Vestibular Rehabilitation, and Sports Performance – Speed and Agility Training.
